Statement on non-GM Status – Selected Products

We are pleased to confirm that the products listed below are certified as in conformity with Ingredion's TRUETRACE® Non-GM Identity Preserved Program¹. These products meet the definition of non-GM under the European Union Regulations (EC) No. 1829/2003 and 1830/2003. Certification will be provided on the certificate of analysis per order and batch.

Thank you for your interest in Ingredion Incorporated's products.
